

SOAR Academy is a Tacoma charter public school committed to providing an enriching and welcoming school community for a diverse student body from across Pierce County. First opened in the fall of 2015, SOAR currently serves K-3rd grade students and will grow to serve 4th and 5th grade students in the 2018-2019 school year. SOAR will continue to grow until reaching its full size as a K-8 school.

At SOAR, all learners are provided with a highly rigorous, engaging and personalized education, along with the individualized supports they need to thrive within an inclusive educational setting. Through the practice of culturally responsive pedagogy and strategic arts integration, we ensure students are developing the critical thinking skills and healthy habits of mind that are necessary for success in both school and life. As a member of a trans-disciplinary school-based team, the school leader will help prepare all students to be productive, contributing members of our increasingly global community and economy.
